STUDENT ADVISEMENT PROCEDURES FOR TELEPHONE OR ARENA REGISTRATION

All students must be cleared by an advisor before attempting to register.

New Student Advising Process

1. Submit the following to the Admissions office in the White Administrative Services Center:
 - A completed admissions application. (Applications are in the back of the *College Catalog*.)
 - Official high school transcript or GED score report.
 - Test scores (i.e. TASP, ACT, SAT) if not listed on the high school transcript.
 2. Pick up a *Class Schedule* in the Registrar's office in the White Administrative Services Center.
 3. Determine TASP status:
 - If TASP taken; *TASP exempt; or **TASP waived, go to step 4.
 - If TASP has not been taken, go to the Testing Center (second floor of Rogers Student Center) to take the COMPASS. (This is an alternative test to TASP—allow five hours to test. There is a fee of \$15 that needs to be paid in the Cashier's office before testing.)
 4. Meet with an advisor:
 - Check with the Deans' offices or the Registrar's office for a list of advisors.
 - The advisor helps the student with:
 - Interpretation of test scores
 - Course selection
 - Degree Plan and transfer information
 - Information on campus resources
 - Selecting a major
 - Information on the registration process
 - Being cleared for registration
 5. Consult a current *Class Schedule* to determine registration dates.
 6. For additional registration information, refer to a current *Class Schedule*.
 7. After registration, pay tuition and fees, secure parking permit and student ID card.
- *Determined when an application is received. TASP status is based upon college credit prior to Fall of 1989, or scores from one of the following tests: ACT, SAT or TAAS. Students who are exempt from TASP may still be required to take part of the Pre-TASP or COMPASS. See the Registrar's office or an advisor for verification of TASP status.*
- **Includes students who are in a certificate program. See College Catalog for more information.*

Returning Student Advising Process

- In order to register for classes, the following are general registration procedures:
1. Pick up a *Class Schedule* (generally available during mid-semester for the following semester) in the Registrar's office in the White Administrative Services Center.
 2. Meet with an academic advisor for assistance in course selection.
 - Check with the Deans' offices or Registrar's office for a list of advisors.
 - The advisor helps the student with:
 - Interpretation of test scores
 - Course selection
 - Degree Plan and transfer information
 - Information on campus resources
 - Selecting a major
 - Information on the registration process
 - Being cleared for registration
 3. For registration information, refer to a current *Class Schedule*.
 4. After registration, pay tuition and fees, secure parking permit and student ID card.

Consider the following factors prior to registration:

1. Are you TASP liable? If so, have you taken the TASP?
 - If you have not taken the TASP, see an advisor or the Registrar's office regarding your options. Remember, unless a student is TASP exempt or in a TASP waived certificate program, he/she must take the TASP before registering at a Texas state public institution.
2. Are you knowledgeable of your degree plan? Have you chosen a major or changed your major?
 - In any case, you are to see an advisor for Degree Plan information, advisement on course selections, information and referral help with choosing or declaring a major, transfer information, graduation requirements, and other academic issues.
3. Are you on scholastic probation?
 - If so, you are required to see the advisor from your school (Allied Health and Nursing, Applied Studies, or University Studies) for assistance in course selections and information on study skills and tutorial resources. Be aware that, due to your GPA, you may be limited in the number of hours and type of courses for which you may enroll.
4. Do you plan to graduate this semester?
 - If so, then follow the steps below:
 - Plan to meet with an advisor in your major and/or school to confirm your graduation status.
 - If necessary, request course waivers and/or substitutions for specific Degree Plan requirements.
 - Apply for graduation by the published deadline. (See the *College Catalog* for dates.)

Transfer Student Advising Process

1. Submit the following to the Admissions office in the White Administrative Services Center:
 - A completed admissions application. (Applications are in the back of the *College Catalog*.)
 - Official transcripts from all colleges previously attended.
 - Test scores (i.e. TASP, ACT, SAT) if not listed on a college transcript.
 2. Pick up a *Class Schedule* in the Registrar's office in the White Administrative Services Center.
 3. Determine TASP status:
 - If you are TASP liable and have not taken the TASP, see an advisor or the Registrar's office regarding your options. Remember, unless a student is *TASP exempt or in a **TASP waived certificate program, he/she must take the TASP before registering at a Texas state public institution. A local placement test (PTT or COMPASS) may be required of some students regardless of their TASP status.
 4. Contact the transcript evaluator in the Admissions office for an evaluation of transfer credits at 510-2123.
 5. Meet with an advisor:
 - Check with the Deans' offices or Registrar's office for a list of advisors.
 - The advisor helps the student with:
 - Interpretation of test scores
 - Course selection
 - Degree Plan and transfer information
 - Graduation requirements
 - Course waivers and substitutions
 - Information on campus resources
 - Selecting a major
 - Information on the registration process
 - Being cleared for registration
 6. Consult a current *Class Schedule* to determine registration dates.
 7. For additional registration information, refer to a current *Class Schedule*.
 8. After registration, pay tuition and fees, secure parking permit and student ID card.
- *Determined when an application is received. TASP status is based upon college credit prior to Fall of 1989 or scores from one of the following tests: ACT, SAT or TAAS. Students who are exempt from TASP may still be required to take part of the Pre-TASP or COMPASS. See the Registrar's office or an advisor for verification of TASP status.*

Late registration, registration, insurance, change fees, math fees and medical supply fees are non-refundable.

Students who "swap" credit hours (exchange one three-hour course for another three-hour course) may do so without a monetary drop penalty. The even exchange applies only if the course add and drop are presented to the registrar at the same time. Additional lab fees may apply and must be paid on day of change.

First time students who completely withdraw on or before the 60% point in time of the enrollment period must receive a statutory pro-rata refund. Monies from the refund must be returned to the agency or aid program.

Weekend College and Special Terms

The above dates and policy will apply to the Weekend College program and special terms, regardless of the actual start dates of classes.

Special Notes

It is the student's responsibility to drop courses. The dates used for determination of refunds are those entered by the Registrar's Office when the drop slip is received and processed by them. Refunds will be applied to outstanding debts owed to Tyler Junior College. Unpaid student accounts will be turned over to a collection agency, with collection costs paid by the student.

Additional fees must be paid in the cashier's office the same day as adding and changing courses to reserve your schedule. All courses in which a student is enrolled will be dropped for non-payment, if 100% of tuition and fee charges are not paid.

The refund policy is subject to change by the vote of the Tyler Junior College Board of Trustees or the legislature of the State of Texas.

Refund Policy (8-Week/Special Terms Only)*

Refund payments will be mailed to the student's permanent address 2-4 weeks after the fourth class day. Refunds are mailed on a weekly basis, alphabetically.

Refunds will be applied to outstanding debts owed to Tyler Junior College.

Tax Benefits for Students

Independent students and parents of dependent students should be aware that a number of educational tax benefits may be available to them when filing their federal income tax returns. Because deductions available vary widely according to individual circumstances, you should consult your tax advisor to see if any benefits are available to you. Information and applicable tax forms are also available at your local IRS office. The following list provides the common types of possible benefits about which you may want to inquire: (1) The HOPE Scholarship Tax Credit and/or Lifetime Learning Credit (TJC mails a Form 1098-T to each applicable student's permanent address in January); (2) Exemption of Employer-Provided Assistance; (3) Exemption of Scholarships and Tuition Remission; and (4) Deduction of Student Loan Interest.

Shaded room locations indicate classes scheduled at the Regional Training and Development Complex (RTDC) or Skills Training Center (STC) on TJC's West Campus, 1530 SSW Loop 323.

Accommodations for the Student with a Disability

- ◆ Hearing
- ◆ Physical Disability
- ◆ Psychological/Emotional Disability
- ◆ Vision
- ◆ Reading Disorder
- ◆ Speech/Language
- ◆ Learning Disorder
- ◆ Neurological Disorder
- ◆ Other Disabilities

Tyler Junior College welcomes students with disabilities who have the potential for academic success in the post-secondary educational environment. To request accommodations, the student with a disability should arrange an appointment with a Support Services counselor to obtain the **Request Accommodations Form (RAF)**. Appropriate documentation of physical or psycho/educational evaluation that meets TJC guidelines or a referral from an appropriate rehabilitation agency (Texas Rehabilitation Commission or the Texas Commission for the Blind) that clearly documents the disability and supports the need for accommodations must be submitted before any accommodations can be arranged. Students are encouraged to apply for assistance with Support Services four weeks prior to the beginning of the semester to allow for time for adequate coordination of services.

Prospective and current students, parents or others who seek additional information regarding Support Services should call: Voice 903-510-2395 or TDD 903-510-2394. Support Services is located on the second floor of the Rogers Student Center.

A student may request that the above Directory Information be withheld from the public by making written request to the registrar's office during the first 12 days of class of a fall or spring semester or during the first four days of a summer session. If no request is filed, information will be released upon inquiry. A new form for nondisclosure must be completed every semester enrolled. Tyler Junior College assumes that failure on the part of any student to specifically request the withholding of Directory Information indicates individual approval for disclosure.
